Between Christmas and New Year One of the Best Saving Times of Year

The people of the Great City of Clarksburg are always entitled to the Best and Newest Goods the market affords.

Visitors and their friends are very welcome to all the hospitalities of the store; it is warm, cheerful, unhurried; its people are courteous, its merchandise is new and fresh and its prices usually lower than elsewhere for equal qualities.

The great rush of Christmas business is over and the store has now settled down to regular routine.

WITH—certain special "little sales" in the clothes line that any number of women will welcome to last the season through.

Between Christmas and New Year is one of the best saving times of the year.

In a Sale Extraordinary We Have This Week 45 Tailored Suits of \$35 to \$50 Grades Marked at \$25 Each

It is a sale a little different from any other we have held or heard of. The merchandise is finer, the price is lower, than the word "sale" usually means.

It is a little clearaway of the finest suits from our own regular stocks, most beautiful models of the season, splendid, exclusive things, distinguished in the highest degree.

Mostly broadcloths, some velvets and corduroys, Black, Blues, Greens and Browns. Just the sort of clothes any young woman of fashion "craves," at a price of secondary consideration.

There are sizes for young ladies, 14-16 and 18 and 36-38 and 40; none larger.

This is an exceptional opportunity to secure the very smartest garments at an exceptional price.

Ready on the second floor.

Out They Go—Fifty Skirts

Now going on here is a little out-clearing of skirts at \$4.95 that have had their former prices clipped a third, a half and in some cases still more.

Quite a few styles that have sold down to ones and two's broken sizes, but in the assortment you may find just what "fits you."

Serges, gabardines, poplins, velvets, silks, corduroys, dark colors and blues and black. \$4.95 special.

Please Note

All ladies who bought one of those belted model plush coats, with a natural raccoon fur collar at \$25.00 from us last week will please return them and get another coat, or their money back, or have same re-lined, as we have discovered the lining in them were of inferior quality and will not give satisfactory wear. By so doing you will greatly oblige us.

Flannelet Nightgowns

We get them in so often that customers can buy them without one being crumpled or soiled. Colored and white, 50c to \$1.00. Extra sizes colored and white, \$1.00.

A Happy Girl and Her Middy Blouse

Middle blouses of every kind that the girl from six to eighteen could possibly want. Some plain, every-day middie blouses and still others on the order of a smock.

In line and galatea, all white or white with Copenhagen or navy blue or red collars, \$1.00.

Model Brassieres

"Model" brassieres, particularly, owing to their being so well cut, have the faculty of giving that trim, smart look that women are striving for.

You may have them quite plain with a little edging, at 50c, or in all-over embroideries, batiste or silk with prices extending up to \$3.00.

They are made so daintily and the materials are so pretty that they have won every woman's heart who wears them.

This is the Weather That Brings You to Buy Shoes

And here is a store that can answer the call.

You will find our stocks large, thoroughly varied, and staple to the last thread and stitch, ready on the main floor rear.

We selected three new dress boots from Dombay of London, as an example of what the many women are buying.

First, there is a high top street boot of black calf, having low heels and heavy single soles. Secondly, a French Kid dress boot, buttoned with black cloth tops.

Third is a very plain toe boot with welted soles and semi-military heel.

OF INTEREST TO WOMEN

Mixed Eggs.
Chop up four of five hard-boiled eggs. Do not mince them too fine. Put over the fire in a suitable dish a cupful of milk, a tablespoon of butter, salt and pepper and some savory chop-her small. When this comes to a boil stir it into a tablespoonful of flour dissolved in a little cold milk. When it cooks thick like cream put in the minced eggs. Stir it gently around for a few minutes and serve, garnished with sippets of toast.

Lace on Evening Dresses.
Follies, tulle, velvets and velled effects, are in vogue for evening gowns. The neck is cut round and high, sleeves are short and puffed or consist of draperies of net. Much gold and silver lace is in use, and dyed laces are much used. Skirts are flounced from the belt to the hem, and dancing dresses are flounced from the knee to the hem. Iridescent metal gauze foundations are veiled with net and hung with flounces of silver lace. Charming models in velvet, in black or in color are veiled with cream net and metal lace.
